Colorado has some of the best run elections in the country, in part because of the Democratic election watcher program. Poll Watchers are the eyes and ears in the Voter Service and Polling Centers and ballot processing centers. They play a vital role in ensuring accessible and fair elections.

We're looking for Democratic poll watchers to observe in the Voter Service and Polling Centers and Election Department counting rooms. The time frame is October 24 - Nov. 8 for VSPCs and Nov. 8 and forward for counting rooms. There are a variety of shift options to choose from.

Final GOTV effort

The Garfield County Dems are also looking for volunteers to drop off fliers to left-leaning voters who still have not voted during the last days before Election Day. Sign up now and we'll send more details soon.
